### WAY OFF BASE Now Available!

Not too long ago I sat in my truck outside my daughter's school and watched a bunch of kids playing tag. They were running and sliding and dodging and squealing with joy! Lord, the energy. But even those kids with all their youthful exuberance needed a break after a while and where did they go? Base.

Yeah, base. What a great place. They were safe on base. They were untouchable on base. If they stayed on base they would never have to run again or get tired or thirsty or be "it!" Why on earth would they ever want to leave a place like that? But they did. And their smiles returned.

Somewhere between then and now we've lost the purpose of base. Base was never meant to be our home. Base was only supposed to be the place where we got recharged, renewed, and revitalized so that we could get back in the game and enjoy the life we were created to live.

Matt's first book, Way Off Base, is available right now for a suggested donation of \$15.00.

### WORLD CHAMPIONSHIP DUCK CALLING CONTEST SUNDAY SERVICE

What an amazing experience it is to see Hank Hough in action! Hank is the founder and director of Kingdom Dog Ministries and was the speaker at the Sunday morning service at the World's Championship Duck Calling Contest in Stuttgart. More than 75 people showed up despite the intermittent rain to hear and see Hank share the gospel with the help of his black Labrador retrievers Prophet and Bandera.

At the end of the service at least five people indicated they made decisions for Christ! We're having Hank return to Arkansas in January in order to produce a video for him and his ministry. Stay tuned to the web site for information about where he'll be speaking.

### Our Mission

The purpose of our ministry is:

- To Inspire
  - To Encourage and
  - To Motivate
- you to fulfill your ministry.

Each and every ministry of Beautiful Feet is solely supported by your gifts and donations. As the year draws to a close please remember us with a generous year-end gift. BF is a 501 (c)(3) non-profit ministry so all gifts are tax-deductible. To get credit for the 2009 calendar year your gift must be post marked by Dec. 31st. Thank you so much for your continued financial support.

**CrossHeirs Youth Hunts**

Our first youth hunt of the season was held Dec. 4th and 5th. 10-year-old Colin Trice and his dad Bruce along with 13-year-old Grant Guthrie and his dad Eric were our guests. In the picture to the left you'll also see my son Travis who was an excellent guide and on the far left Steve "Wildman" Wilson from the AR Game and Fish Commission who featured our hunt on his TV show. (Check out our web site for details!) We had an excellent time and as

you can see in the picture to the right we may not have seen the last of Grant Guthrie in the duck woods...although we can't see much of him here! We'll have another youth hunt on Dec. 18-19th. On the final two weeks in January we'll also host youngsters from the inner cities of Little Rock and North Little Rock courtesy of STEP ministries. Thanks to your financial support our hunts are free to all the kids. CrossHeirs is also open during the year for men's retreats and pastor's getaways.

**Tony Dungy Coming to AR?**

Is Tony still coming? We're still talking ...and praying ...and hoping that the Super Bowl coach will cut his fees just a smidge and be our keynote speaker for a youth summit we're planning for schools in the Arkansas Delta later this Spring. The summit will focus on making the right choices in all aspects of life.

**Beautiful Feet?** Here's a great picture of some Beautiful Feet courtesy of the ladies at Faith Missionary Baptist Church in Monticello, Arkansas. This was snapped on their annual "Dive Retreat" which took place November 5-8th in Heber Springs. Thank you ladies! Those are some pretty nice feet. Hey, let's have a little fun. If you've got a nice picture of Beautiful Feet why don't you send them my way. I'll begin posting them on our website and maybe we can come up with a prize of two. Remember, though, in God's eyes "Beautiful" doesn't necessarily mean the same thing we think it does!

**All of the activities & outreach of BFM are solely supported by your donations. Thank you for your continued support.**
