**STEP Ministry...Outdoors!**

Rocky and I were so honored to be asked to be a part of STEP Ministries Outdoor Weekend at Bud Finley’s Farm near Sardis. Nearly 30 young men from North Little Rock’s Inner City came out to the country to paddle canoes, use a bow and arrow, shoot bb guns, fish in the pond, ride mountain bikes, cook their own hot dog lunch and most importantly...learn to blow a duck call!

Thanks to Delta Waterfowl each young man got their own duck call to take home with them, something I’m sure their mothers appreciated when they got home. They also got to see Rocky the amazing duck dog in action. Rocky and I used this amazing opportunity to make sure each young man knew that God created each and every one of them with a purpose and a plan in mind and if they listen to the voice of the Master they will discover their place in this world.

Last year we took several kids on their first duck hunt. I’m pretty certain this year we’ll have our biggest crowd yet! If you’re interested his helping, financially supporting or bringing a young man to this year’s youth duck hunts I’d love to hear from you!

**Dedicating Fee Fee’s Kitchen**

The forecast called for storms on Saturday, May 15th but the only thunder we heard was the applause for the Lord as Fee Fee’s Kitchen was dedicated to His service.

A crowd of more than 50 people came out to help Calvin and Fee Fee Jones celebrate the grand opening of their new kitchen. Every month Calvin and Fee Fee cook for and feed more than 800

people. The new kitchen will offer them much more space with much better appliances.

This dedication would never have happened had it not been for Jimmy Boyd of Mt. Olivet United Methodist Church. He was a big help in building Calvin and Fee Fee’s new house but he single handedly built the kitchen! Your prayers and financial support make things like this happen and with increasing frequency! Thank you so much.

**Greater Little Rock Home School Graduation**

I thought when I was asked to speak to a home school graduation there would be 10 kids on someone’s back porch...not 1,300 people at New Life Church! What a great crowd and some great kids! Congrats to all those graduating this year and moving on in the lives and in their ministries.

You know...Way Off Base would make an excellent graduation gift...or a Father’s Day gift...or heck, just a good read! Order yours on-line for just \$15.00 or contact me at the address on this newsletter!

**Bridge2Rwanda: Faith & Opportunity**

Stepping out of a boat and into the deep water doesn’t make a lot of sense. But with passion, courage and faith that’s exactly what Dale Dawson did and the Bridge2Rwanda was born.

At the May LRMF the Little Rock native shared his stirring message about what God has done in the lives of people in both the US and Rwanda since he walked away from a very secure (and high paying) job at Stephens, Inc. What was once a country lost in chaos and genocide is now looked at as one of the most stable countries, economically, politically and socially on the continent. While many still visit Rwanda as missionaries many others are relocating for business and other reasons.

The mission has been so successful that Dale told of a new position that has opened up for a media professional to serve as a liaison between the government, business, churches and the media. If you’re interested in this exciting development feel free to contact the organization at [www.bridge2rwanda.org](http://www.bridge2rwanda.org).

**June Speaker: Men’s Fraternity Founder Robert Lewis**

Robert Lewis is passionate about helping men discover the biblical principles of authentic manhood. He founded and developed Men’s Fraternity in 1990, and today this significant area of ministry is reaching men worldwide in churches, on college campuses, in corporate boardrooms, and in prison cellblocks and later this month at the Little Rock Media Fellowship!
