## Together We Grow — Year End Giving

*"God is certainly surrounding this property. The Holy Spirit was in this place all weekend. It was totally visible by the love and care that Paul & Donna showed us while we were here. It was relaxing and peaceful. We are so glad you heard the call of God."*

-Jerry & Sandi KosowskiPace, FL

Henry Blackaby once encouraged believers to, *"Find out where God is at work and join him there."* Well, as you can see from the statement above God certainly has his sleeves rolled up at Big Jim's Lodge. If you want to be a part of something special we would love to have you join us in our mission to help others become the men and women God created them to be. We have monthly needs of roughly \$10k/month. That includes taxes, insurance, salaries, food, utilities, and maintenance. We can't meet those obligations by charging just \$40 per person per night. So we would like to raise as much of that as possible through gifts and donations. This will allow us to do three things: Keep the prices for lodging at very affordable levels, make sure whether your group totals 4 or 40 you get the whole lodge to yourself and finally reinvest all of our profits to keep improving the facility. We still need to build a back porch, a storage shed, a fire pit, a sporting clay range plus make additional repairs to Big Jim's Lodge.

We sure would love your help so please pray about what God would have you give to help support the ministry of the CrossHeirs Retreat Center. You can find donation information on page 2 or give online at [www.crossheirs.org](http://www.crossheirs.org). If you would like an information packet to learn more about CrossHeirs just contact me at one of the addresses in this newsletter. Thank you so much! -MM

## Hank Hough Returns For Sunday Service

We're so excited to welcome back to Arkansas Hank Hough and his Kingdom Dogs, Prophet and Bandera! Hank and his superbly trained dogs will share the gospel Sunday morning, November 27th right from the stage of the World Duck Calling Championships in downtown Stuttgart. If you've never heard Hank before this is a treat for the whole family...especially kids and those who aren't very comfortable in a traditional church. The service begins at 10am. Last year we had nearly 200 people there so come early for a good seat!

## Duck Hunts

*Duck Hunting is about more than just ducks. It's about a hearty breakfast after a cold morning in the woods. It's about a good afternoon nap in a quiet room. It's about good friends telling stories around a fire pit...some of them true. It's about a dinner so good you'll talk about it until you come back again next year.*

Call today to book your overnight stay or men's retreat!

### Pleasant Valley Church of Christ

It was an honor to be asked to share with the fellas from the Pleasant Valley Church of Christ at their annual couples retreat at the CrossHeirs Retreat Center. This was a great group of guys who love their wives!

### The Shepherd's Needle

Nearly 20 needleworking ladies transformed Big Jim's Lodge into an elaborate and intricate sewing circle! They even moved the pool table...no easy feat! They've already booked three more retreats! Big Jim's would also be a great place for scrapbooking!

### Colorado Elk Hunt

It was nearly 70 degrees when the three of us, me, Clayton Newlin, Tim Molitor, started hiking up the hill toward what we hoped would be a happy hunting ground for massive bull elk. As steps turned into miles and minutes into hours we eventually made it to the top, 12-thousand plus feet, and 35-degrees and discovered not elk but ...God. Clayton summarized it best when he said, "It's hard to imagine how beautiful Heaven will be when you see how incredible this place is."

And that's why we go. No, we didn't shoot an elk, for the third year running, in fact after all our hiking we didn't SEE any, but we did draw some guys into a deeper relationship with the Creator. And that's priceless. We also took time to read and discuss the book, The Map, by David Murrow and I highly recommend you guys read it. I know, I know, you don't like to read but it is that good and may change the way you live your life. I also recommend you sign up NOW for next year's hunt. We're busy, right now, making sure we don't get shut out again! It's a great trip and we'd love to have you. If you'd like to see more pictures just visit our FB page at CrossHeirs Retreat Center.
